

# My Future Performance

1

Fill me out **prior** to the academy

## Instruction

Dear Senior Consultant,

Prior to the academy we kindly ask you to think of:

**One near future situation in which you know, you want to perform strongly.**

Please chose a situation you are facing only a week or two after the academy. This can be an important presentation for a client, a meeting in the account team where you have a central role, receiving feedback from your project lead, developing a new type of workshop or content, your have never tried before, giving corrective feedback to a consultant on your project etc.

Please fill out the boxes below. During the academy, you will be working in depth with this situation, why it is essential to your output and learning that you bring it.

1

**What is the situation, and when will it happen?  
Will it happen more than once in your career at Deloitte?**

2

**What makes the situation challenging for you?  
What personal challenges do you foresee?**
