

Exercise description

My Champ Behavior

- This exercise is about performing.
- Your team will have **10 minutes to plan a performance**, where you will have to perform the old sea shanti song: "What shall we do with the drunken sailor?"
- If you do not know the song, you might have to include in your preparation, that you go to YouTube and listen to the song, so that you will be able to perform the song, when the preparation time is over. (As a hint, you can search for: Drunken Sailer – Irish Rovers. Their version is 2:39 minutes long, so in total it should take you about 3 minutes of your preparation time to listen to their version.)
- How you choose to perform the song is **100% up to your team**. There are no rules in art. **The only rule is, that your performance should be entertaining, thought-provoking or engaging for your audience.**
- Expect that your audience will score your performance when you are finished performing. Each performance will get a score between 1 and 10 by all members of the audience as well as from the instructors.
- You should also know that your performance will be evaluated much more on overall performance value than actual singing capabilities.
